## JUNIORS

### ALL THINGS YOU SHOULD KNOW & DO!!!

1. The club website is <http://hampdenparktennis.co.uk>
2. Always wear proper tennis shoes not football astros to help protect the courts & lengthen the life of the courts. Please don't swing on the nets!
3. Always have your racket dampener on your racket as proof of membership. If you don't have it with you, you may be asked to leave the courts.
4. Don't let your friends play if they're not members! Why should they play for free when you've paid your membership!
5. **There are certain times you cannot play on the courts as follows:**  
**Adult club sessions on Saturday afternoons, Monday & Friday afternoons & Wednesday evenings if all of the courts are required by the adults. Also Sunday mornings are very busy until approx. 1pm.**  
**Tournament & match days - check the calendar & fixture lists in the clubhouse for dates**
6. When coaching & matches etc. are on you may have to take it in turns on the remaining courts with anyone else who wants to play, or play a limited amount of games & come off.
7. When other courts are in use don't walk behind them until a rally or point has finished or they tell you to go across.
8. When coming in the gate wait until points or rallies have finished on the courts nearest to the gate & park bikes on the concrete, do not take them on the courts!
9. If a match is being played on a court near the clubhouse always walk around the other side of the clubhouse if possible. Try not to disturb the match!
10. Any bags or drinks etc. you have with you put them by the net post not all over the courts!
11. Court 1 nearest the bowling green has the net left at the right height for you to use when the clubhouse is not open
12. If the clubhouse is open & you use a net band & the net winder always return the winder to the hooks inside the door immediately after you have put the net to the right height & when you have finished playing return the net band to the hooks & slacken off the net before you leave. Always use the correctly numbered net band that corresponds to the same court number.

13. If you=ve forgotten the gate code or have any problems whilst at the courts ring Jenny 07831097864. When you have opened the gate lock the padlock back on the gate frame & mix up the code again so passers by can=t find out the code!
14. Remember you need to concentrate to be able to play good tennis so always be aware of other courts & players around you!!
15. If you use any plastic cups (not glasses in case of breakage) or cutlery etc. please wash & clear up after yourselves!
- 16.If you hit a ball over the fence during coaching, tell the coach then go & find it!
- 17.Please try to be well behaved at all times, especially during matches, showing respect to **your opponents, your club & your racket !!!!!!!!!!!!!!!**

If you think of any other rules let Jenny know!!!!

## **TEAM CAPTAIN INFORMATION**

1. You should contact the opposition to arrange the fixture if it is our home match. Home fixtures should try to be arranged for either Saturday afternoons following adult club

afternoon at 4pm onwards or Sundays afternoons 3pm but must finish at 6pm when junior aces is on. Check adult noticeboard before arranging fixture.

Away fixtures - if they don't contact you, try phoning them

Please ensure once a fixture is arranged it is put on the calendars in the clubhouse stating which team it is, start time & 2 courts needed.

Make sure the opposition has a telephone contact for the day in case of bad weather

2. Clubhouse key is available from Jenny which also locks changing rooms. Make sure you know the current combination for the outside gate!

3. Match balls will be given to you at the start of season which should only be used for home matches. Try to use the same balls for all the matches but if they get wet ask Jenny for more!

Match fees have to be paid for each match played, currently £2 per player per match.

4. Ensure match scores are recorded & signed by someone from both teams & it is winning teams responsibility to put the result online. Please note all players British Tennis Nos are required online.

5. On arrival at home matches set up 2 adjacent nets with the correct numbered net band from just inside the clubhouse door & measure with one of the white poles from the opposite corner.

Please ensure the net winder is returned to the hooks once set up.

Court nearest bowling greens is no.1 going across to no.5 which is the near the trees.

6. Please bring some refreshments to home matches for both teams to include snacks & cold drinks plus milk for hot drinks for any parents watching. Tea & coffee can be found in the cupboards near the tea urn

7. If you are playing a late match you may require floodlights ask Jenny for a token prior to the day

## **LOCKING UP**

If you are the last to leave please make sure all net bands & the winder are returned to the hooks just inside the clubhouse door & that the nets are loosened off except court 1 by the bowling green which should be left at right height for juniors who come to play & don't have a clubhouse key!

Check all windows are shut in the changing rooms & all lights are off

Check all window shutters are down fully in clubhouse, wind them until no more clicking noise! Please ensure the padlocks are locked on outside of the shutters.

Please ensure clubhouse is left clean & tidy

If you are not last to leave check other players have keys, if not lock everything up & they can continue to use court 1
